Welcome To Our Practice

We would like to thank you for choosing us as your dental care provider. We are pleased to meet any dental needs you or your family have. We will always do our best to give you the most up to date and professional care available. To avoid any confusion, we have listed below some of our policies and procedures.

Regarding Payment

Payment for services is due at the time services are rendered unless prior arrangements have been made with the practice manager.

We accept the following forms of payment: Cash, Check, Visa, Discover & MasterCard.

Checks that are returned to our office from your financial institution are subject to a $50.00 returned check fee. This fee covers the processing fees that are charge to our office.

You are responsible to pay the cost of collecting any debt owed on your account. This includes all attorney’s fees, late fees and interest to be charged at 1.5% per month.

Regarding Insurance

As a courtesy, we will file your dental insurance claim. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. In the event we do accept assignment of benefits and your insurance company has not paid your account in full within 60 days, the balance may be transferred to your account. Please be aware that some, and perhaps all, of the services provided may be non-covered services and not considered reasonable and customary under the terms of your insurance policy. Our practice is committed to providing the best treatment for our patients and we charge what is the usual and customary for our area. You are responsible for payment regardless of any insurance company’s arbitrary determination of usual and customary rates.

Your complete insurance information must be presented at the time services are provided. Most benefits will be verified before your insurance company can be billed. All insurance co-pays and deductibles must be paid at the time of service.

Regarding Appointments

Broken appointments are very costly and inconvenient. Please inform us at least 1 business day in advance if you are unable to keep your appointment. Our normal business hours are Monday-Thursday from 8:00am-5:00pm. Appointments that are canceled without this notice are subject to a broken appointment fee of $50.00. Excessive broken appointments will lead to you and your family being dismissed from our practice.

Late arrivals cause schedule delays for those patients who arrive promptly at their appointment time. Late arrivals will be worked into the schedule if time allows or re-appointed to another day.

All patients under the age of eighteen (18) will not be seen or treated, in the absence of a parent or legal guardian, without a signed consent form.

I have read, understand and agree to the policies explained above.

__________________________________________________________________________

Patient Name (please print)

________________________________________________
Signature of patient or Responsible Party        Date
Thank you for understanding that we file dental insurance as a courtesy to our patients. We are not responsible for how your insurance company handles its claims or for what benefits they pay on a claim. We can provide assistance with estimating your portion of the cost of treatment. However, we cannot guarantee what your insurance company will or will not cover in regards to each filed claim.

If we have received all of your insurance information on the day of your appointment, we will be happy to file the claim for you. Please become familiar with your insurance benefits, as on the date of service we will collect your estimated portion. If we are unable to verify insurance benefits due to insufficient or inaccurate information, you will be responsible for paying the full amount of your visit. By law your insurance company is required to pay claims within 30 days of receipt. We file most insurance electronically so your insurance company should receive each claim within several days of your treatment. You will be responsible for any balance remaining on your account after 30 days, whether insurance has paid or not. We will be glad to send you a refund once your insurance has paid us.

Please carefully read the following information that will help you understand some general guidelines about dental insurance benefits.

- No insurance pays 100% of ALL procedures – many patients assume their insurance pays 90%-100% of all dental fees. Most plans only pay between 50%-80% of the average total fee. Some pay more, some pay less.
- The percentage paid is usually determined by how much you or your employer has paid for coverage or the type of contract your employer has set up with the insurance company.
- Sometimes your dental insurer reimburses you or the dentist at a lower rate than the dentist’s actual fee. Frequently, insurance companies state that the reimbursement was reduced because your dentist’s fee has exceeded the usual, customary, or reasonable fee (UCR) used by the company. A statement such as this gives the impression that any fee greater than the amount paid by the insurance company is unreasonable or well above what most dentists in the area charge for a certain service. This can be very misleading and simply is not accurate. Insurance companies set their own schedules and each company uses a different set of fees they consider “allowable”.
- Our dental material of choice for “fillings” is a white filling, also known as composite resin. Some insurance companies do not pay for a white filling (composite resin) at the same level as a silver filling (amalgam). The difference between the two fees will be your responsibility.
- Some dental insurers will not reimburse the provider (Dr. Sninski/Dr. Schmitt) directly for treatment but rather the subscriber. In this case, you are responsible for paying the full amount for treatment rendered on the day of service.

The following checklist is to assist you in preparing for your visit with Dr. Sninski or Dr. Schmitt. Your verification of this information will greatly help with filing your claim and speed up any refund you may be owed.

- Be sure you can currently receive benefits from your dental insurance policy and that there are no waiting periods.
- For each visit to our office please bring a current insurance card that includes the following: ID number, Group number, and the address and phone number for the insurance company. Some dental insurance plans do not issue a card; therefore we will need the social security number and date of birth for the person who carries the policy.
- The person who carries the insurance is the subscriber and we will need the subscriber’s date of birth and employer information to expedite the processing of the claim.
- You may choose to contact your insurance company, in advance, to verify benefits, deductibles and benefit period maximums. This will enable you to become familiar with your particular plan and allow you to anticipate your level of benefits.

We know that filing insurance can be a time-consuming and somewhat confusing process. That is why we are happy to file your insurance for you. Thank you for reading our policy and familiarizing yourself with your insurance plan and the coverage you have.
